ABSTRACT

This bibliography lists articles and books that deal with the subject of curriculum theory in the United States. The periodicals were listed in the "Education Index" from 1978 thorough June 1980. The books were listed in the 1980 edition of "Books in Print." The key word "curriculum" was used to locate the articles and most were selected from under the subheading of "theories and principles." In the book search, the following key words were used: "curriculum theory," "curriculum principle," "curricula," and "education-curricula." (Author)

TITLE: CURRICULUM THEORY: A SELECTED BIBLIOGRAPHY

INTRODUCTION

This bibliography lists those articles and books that deal with the subject of Curriculum Theory in the United States. The periodicals were those listed in the Education Index from 1978 through June, 1980. The books were those listed in the 1980 edition of Books in Print. The key word "Curriculum" was used to locate the articles and most were selected from articles under the sub-heading of "Theories and Principles." In the book Search, the following key words were used: Curriculum Theory, Curriculum principle, Curricula, and education-curricula.
